To whom it may concern,

**Subject Testimonial**

Fletcher Insulation is large business company with various divisions .Dave Verma Personalised Quality Assurance Services has been maintaining our management system for these divisions for over 15 years and we have not experienced any issues with the system he set up.

The system is simple, effective and reflects our business needs with a workable down to earth management system.

Dave is extremely reliable and professional and delivers on time in full.

Kind regards,

Fletcher Insulation Pty Ltd
